.....RESPONDENTS

THE HON'BLE MR JUSTICE L.NARASIMHA REDDY

Writ Petition No.26554 of 2005

ORDER:

The petitioner states that she is employed as a teacher in C.B.M.U.P.School, M.G.Road, Vizianagaram and that she possesses B.Ed., qualification. Her grievance is that though a vacancy of School Assistant had arisen on 30.06.2003, her case was not considered. She claims to have made representations to the Government of A.P., fourth respondent, and complains that no action has taken thereof.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

If the School in which the petitioner is working, is admitted to grant-in-aid, it is for the Management of that School to submit necessary proposals, seeking permission, for filling up the existing vacant aided posts. No employee of a School can directly approach the authorities in the Government, for absorption or appointment against any vacancies. It is the prerogative of the Management to submit necessary proposals. At the most, the staff members can make representations to the Management which, in turn may have to be forward the necessary proposals to the Government authorities.

Hence, the writ petition is disposed of leaving it open to the petitioner to submit her representation to the Management of the School and, they in turn shall take appropriate action, duly verifying the case of the petitioner. No costs.
